

INTERVIEW GUIDE

UNDERSTANDING HOLIDAY STRESS

Introduction

Hello! My name is Joseph Okumu, and I'm conducting research to understand the challenges people face during holidays with friends. The goal is to identify the most stressful moments and explore ways to enhance the holiday experience. Your insights will be invaluable in helping us create solutions that improve comfort and enjoyment during these times.

Objectives

- To understand users' habits during holidays.
- To identify the most common stressors associated with group holidays.
- To gather insights that can lead to better holiday planning and experiences.

Hypotheses

- Users often feel overwhelmed by the logistics of planning group holidays.
- Poor communication among friends contributes to holiday stress.
- Users experience anxiety related to financial contributions during group trips.

Main topics and questions

Holiday Planning

- Can you describe your typical process for planning a holiday with friends?
- What challenges do you face when coordinating plans with a group?

Communication

- How do you typically communicate with friends about holiday plans?
- What tools or platforms do you use to keep everyone in the loop?

Financial Concerns

- How do you handle discussions about money when planning a holiday with friends?
- What financial stressors do you encounter during group trips?

Demographic Questions

- What is your age?
- What is your occupation?
- Where do you currently live?

Conclusion

Thank you for taking the time to share your experiences and insights! Your feedback is crucial for understanding the challenges associated with holidays and how we can improve them. If you know anyone else who might be interested in this topic, please feel free to connect us.
